To Whom It May Concern:

In an effort to introduce more transparency into local spending and debt obligations, the City of Center pledges to post details about the City's bond and debt information on the City's websites no later than one business day after the public notice of a bond election. This information will include details about the bond package up for vote and current outstanding debt obligations including bonds, certificates of obligation and other debt, and the date of the election.

The City further pledges to notify the Comptroller's office via email to [transparency@cpa.state.tx.us](mailto:transparency@cpa.state.tx.us) when the bond election information has been posted to the City's website. This email will include a link to the bond election information.
